

Dry Goods Department.

THE LEADING LINE

in our stock is Dress Goods. Perhaps we can be of some assistance to you on this Dress Goods question. What to buy. What styles are selling best. Customers seem to take a fancy to our Dress Goods this season. Possibly that's why we are so busy cutting patterns of the dainty seasonable goods, such as silk and wool mixed Mohairs, Beiges, Crepons, etc.

LADIES SEE OUR DISPLAY

of wool goods; our stock of these goods is yet complete, and with the additional new goods lately received, can please you most as well as we could early in the season.

DON'T MISS SEEING

the ready-made Wrappers just received, they are cheap and nicely made, only cost you just about what you would pay for the material.

SHIRT WAIST SEASON

is really here, and we are prepared to meet your demands in this line, with an "up-to-date" stock of these goods. A handsome new line just received this week.

WE WOULD BE PLEASED

to have you call. Will take special pleasure in showing you our goods, even if you do not want to buy.

Clothing Department.

AN OBSERVING MAN

Will notice, that our display of clothing for men, boys and youths, surpasses in style, fit and wearing qualities, anything recently shown in this town.

Prices always reasonable, and dealing exactly right; two things well known. We are in dead earnest about this clothing business, and back up everything we say in regard to it.

If you are doubtful, come in, look at our clothes and Judge for yourself.

WE KNOW WHAT WORDS MEAN

When we say that our Summer Furnishing Goods are made of good materials, correct in style and fit. You can find just what you want in underwear, shirts collars and cuffs. Neckwear, an endless variety in many styles from 5c and up.

WE THROW DOWN THE HATS.

This hat department of ours is in touch with many hat buyers of this vicinity. We have too many hats for the limited space we have for them, and will sell hats for a few weeks for less money than you have been paying. Don't let the bargains pass if you want a hat.

SHOES.

Oxfords, Sandals, slippers for ladies and men, boys and girls, in laces and blacks.

We mean to talk shoe talk to you till you come in and see that we've just the kind of shoe you want.

The courtesy of a call is all we ask. We are confident that you do the rest—make a selection when you have seen our stock.

"The Old Reliable."

THE VICTORY WON.

A Valiant Confederate Soldier Called to His Reward.

Capt. F. H. Ledbetter died of Bright's disease at the home of Robt. Pile, Corner of Seventh and Alderson street, at 4 o'clock yesterday morning. For several months he had been in poor health and was gradually sinking, but his case took rather an unexpected turn. He had slept during the night and there were no signs of death's approach, but while he slept the messenger came.

Capt. Ledbetter was a brother of Mrs. Robert Pile, and had been making his home with her for several months. He was born in Abingdon, Va., sixty years ago, received his education there, having attended a military school and was associated in this school with Capt. Joseph W. Jones, who now resides in Bristol.

From Abingdon, Capt. Ledbetter went to Missouri to make his home some time before the late civil war. He was a young man of commanding form, being six feet and two inches high and well proportioned. Early in life he exhibited a chivalrous disposition, to which was added a brilliancy of mind and a firm character. It was natural enough that, with his training, he would make a good soldier. He entered the service in a noted confederate regiment of Missouri and fought bravely throughout the war. The bursting of a shell near his head so injured his sight and hearing that he never recovered either entirely, and was blind at the time of his death.

After the war, Capt. Ledbetter continued to reside in Missouri, among the brave men who were his comrades in battle, and it is said that he was held in the highest esteem by many of the foremost people of Missouri. He always remembered his Missouri friends gratefully for the beneficent treatment which he received at their hands. Capt. Ledbetter was a member of the Presbyterian church and died in the full hope of a happy resurrection. His remains will be taken to Abingdon this morning to be interred at his native home.—Bristol Courier.

TWO LIVES SAVED.

Mrs. Phoebe Thomas, of Junction City, Ill., was told by her doctors that she had Consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St., San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else and then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in Coughs and Colds. Free trial bottles at A. F. Hargrave's Drugstore. Regular size 50c. and \$1.00.

Ten people out of a dozen are invalids," says a recent medical authority. At least eight out of these ten, it is safe to allow, are suffering from some form of blood disease which a persistent use of Ayer's Sarsaparilla would be sure to cure. Then, don't be an invalid.

General J. B. Gordon, commanding the United Confederate Veterans, announces in General Order No. 164 that the sixth annual reunion of the United Confederate Veterans will be held at Richmond, Va., on Tuesday, Wednesday, and Thursday, June 30th, July 1st and 2d, 1896. If you eat what you like, and digest it, you will surely be strong and healthy. But if you don't digest it, you might almost as well not eat, for what good can your food do you if it doesn't nourish you?

If you find that you can't digest it, there is a simple help for your stomach. It is Shaker Digestive Cordial, made by the Shakers of Mount Lebanon. It has never failed to cure the worst case of indigestion.

Strength and health come from the food you eat, after it has been digested and has gone into the blood.

The best tonic is digested food. The best aid to digestion, Shaker Digestive Cordial.

When you have acid eructations, nausea, headache, wind, dizziness, offensive breath or any other symptoms of dyspepsia, Shaker Digestive Cordial will cure you. At druggists. Trial bottle 10 cts.

We don't know where the responsibility is but this we do know that unless the officers of Brown Harman Camp wake up they will be left and the whole thing end in a miserable failure.

The Masons will be ready to attend to their part of the programme and it to be hoped the Johnny Rebs. will take the matter in hand at their next meeting and go to work. Much is expected of Tazewell people and they must not disappoint the people.

Would Not Eat The Flag.

An Englishman in Washington, at dinner, declined to eat an ice frozen in the shape and colors of the American flag. This he did because he held it to be bad form to absorb the national emblem. The incident was significant as showing the distinction and the difference between the British idea of patriotism and our own. Englishmen like their hats when their flag is carried past and rise when the national anthem is played in theaters and music halls. No true Briton, in trade or out of it, would use the flag of his country for advertising purposes.—Boston Gazette.
